Sponsor Opportunities

McComb Main Street Association (MMSA) doing business as McComb Creative Economy Partnership (MCEP) offers the sponsorships below for the 2018 McComb Music and Heritage Festival. The Festival is held annually on the fourth Saturday in April.

MCEP's goals are to draw tourists to McComb and the surrounding area, help improve our economy and promote unity within our community through various forms of the arts. As part of this goal, we would like to see a McComb Arts & Entertainment District created. Possible construction on Railroad Blvd. during the 2018 Festival means we need to plan this festival without use of the Bo Diddley Pavilion. So, we are planning an "Arts & Entertainment District for a Day". We hope to expand our partnerships to include all area schools, downtown venues and businesses while focusing on local artists. Your sponsorship can help make the day a success!
